The screenshot shows a Microsoft Internet Explorer window with the title bar "Farewell, Stanley Kubrick - Microsoft Internet Explorer". The address bar contains the URL <http://www.wendycarlos.com/kubrick.html>. The main content of the page features a portrait of Stanley Kubrick and the text "Stanley Kubrick (1928 - 1999)". To the left, there's a sidebar with the "Wendy CARLOS" logo and a list of "SITES" including Arts & Entertainment, Books, Comics, Health & Body, Media, Mothers Who News, People, Technology, Travel, and Columnists. On the right side of the browser window, there are several ads: "lighter is the st medicine.", "BERGSHIP SHOP", "Preferred Card of com", "s Network ors:", "ES&NOBLE", and "eritrade". Below the browser window, there's a section titled "RELATED METALINKS POWERED BY COMET SYSTEMS" listing various Kubrick-related links.
